Additional Instructions/Information

Please note the order of preference will make a difference and No. 1 will get priority over No. 2.

If you require French etc you must enter it as your 1st Pref otherwise it cannot be guaranteed you will get it.

Failure to return Preferences by the specified date will greatly affect your chances of getting your preferred subjects, as Options blocks will be created without your Preferences.

Subjects can only be offered where the uptake is sufficient to form a viable class group.
