## To the Parents/Guardians of the 3<sup>rd</sup> Year Junior Cycle, Transition Year and prospective students.

Dear Parent/Guardian,

In the next 2 weeks, your son/daughter must decide on what course they wish to pursue next August. In Dunmore Community school we offer the following 3 programmes (Subject to sufficient numbers):

- Transition Year
- Leaving Certificate Applied
- The Established Leaving Certificate (and LCVP)

To facilitate you and your son/daughter in making an informed decision, I have organised an online information briefing this **Thursday, the 25<sup>th</sup> of March, at 7 pm**. We are inviting you and your son/daughter to attend this meeting virtually, when I will explain how to access the enrolment section of our website, presentations on the various programmes, videos on option subjects and the enrolment form.

It is extremely important that at least one parent/guardian and your son/daughter attend this meeting to receive information on what steps you need to do to apply for senior cycle.

I will forward an invite to the virtual meeting to your child's school based email address before this Thursday. You will need to click on this link on Thursday evening just before 8 pm. I don't expect this briefing to last more than 20-30 minutes.

Yours sincerely,

Declan Quinn  
Principal
