9th January 2024.

Dear Parent/Guardian,

We are delighted to invite you to join us for our annual Open and Enrolment Night for 6th class students on the 22nd of February 2024. This night is one of the highlights of our school calendar, as our students and staff get the opportunity to showcase our wonderful school to our prospective students and highlight the wide variety of subjects and extra-curricular activities we have on offer.

On the 22nd of February, we will look forward to welcoming you and your child to our school. We will shortly be visiting the local national schools to chat with the 6th class students about the transition to secondary school, and to answer any questions they may have.

Our school website, www.dunmorecs.ie, has a dedicated section for 1st year enrolment, which explains the subjects we offer (to help in your subject choice), our virtual prospectus, relevant policies and a FAQ section. We hope by browsing both our site and the enrolment section, you will get a feel for the many aspects our school has to offer your child on enrolling in our school.

I know some of you are familiar with our school, but if this is your first child to join us, or your child is worried about the transition to Post Primary, please feel free to get in touch with us.

If you have any queries, please feel free to get in touch via our email enrolment@dunmorecs.ie or by phone 093 38203 with your query.

We look forward to our Enrolment starting on the 22nd of February 2024.

Yours sincerely,

Declan Quinn - *Principal*
